ALAMO AREA ATHLETIC TRAINERS ASSOCIATION

OCTOBER 2004

P.O. Box 780726 SAN ANTONIO, TEXAS 78278

## Words from the President

Greetings fellow Athletic Trainers! The 2004 school year is underway and busy for all of us I am sure. Best wishes to all for a healthy, successful year in sports. I wish to thank the past President, Tim Moore for his leadership. The workshop last year was very successful, and the students benefited from the experience. The tax exempt status is now in the hands of the IRS. We are waiting for them to reply back after our alterations to the constitution. Thank you also to Derek Huddleston for continued assistance in this endeavor.

The 2005 workshop is currently set for May, the weekend between Regional and State Track. Participation is encouraged for more schools. Please spread the word to fellow colleagues so that more students can get involved and experience the workshop. Taft High School will host the event this year.

In the past, Tom Falan has done a wonderful job of getting donations for the workshop. We hope he continues to help with this cause, but we also need others to get involved. Interested members please contact myself or any board member. I have letters to send to different vendors and a thank you letter for follow up if you would like to use them.

Looking forward to another successful year for the AAATA. Any concerns, ideas or innovations are welcome and encouraged. Please feel free to contact me. Again, best of luck with your teams this year. Keep 'em healthy.

## Membership Dues

Many Athletic Trainers did not attend last year's workshop at Madison. This means that a lot of people did not pay their membership dues. Membership dues are what help this association continue to run and stay active. If you could please send your \$20.00 to:

MacArthur High School  
Attn: John Young,  
AAATA Treasurer  
2923 Bitters Road  
San Antonio, Tx 78217

In order for your student trainer to apply for the AAATA's Cortez Scholarship; you must be a member in good standing.

**Door Prizes**

Everybody knows Tom Fallen does a great job getting door prizes for the Workshop. He travels around San Antonio getting great donations. He needs our help in securing donations, such as going to restaurants and businesses, asking for dinner for two or twenty dollar certificates, etc. We would like a representation of door prizes from all over San Antonio.

If you would like to submit any sections to this newsletter, please feel free and e-mail it to me. I would like to see this newsletter be a point of more interest to all ATC / LAT. Your involvement is what keeps this association active.

**2004 Student Trainer Workshop**

The Student Trainer Workshop at Madison High School went as scheduled, except maybe the air conditioning. Dr. DeLee did a great job with the knee dissection. The round robin sessions were very informative and the presenters did a great job! I feel the students learned a lot from this workshop and we had a good participation from the poster presentations and all the contests. The attendance increased from last year, both students and the professionals. We still need to have more schools (Professionals and students) participating. Encourage and spread the word to other ATC / LAT about attending the workshop for May 2005.

**Cortez Scholarship**

The 2004 Charles Cortez Scholarship has been awarded to Jessica Davis of Taft HS. She is currently enrolled in the Athletic Training Dept at UT-Arlington. This is the second year in a row that a student trainer from Taft HS was been awarded the Cortez Scholarship.

This scholarship is open to any Alamo Area senior student trainers that plans on attending a college/university and is accepted into their Athletic Training Program. For an application and/or complete information about the Charles Cortez Scholarship, contact Marc Powell (Trinity Univ.), Scholarship Officer.

**This years Cortez Scholarship application deadline is April 15, 2005.**

**“Thank You”**

The Round Robin Session of the Workshop was great. The time and hard work of the presenters were greatly appreciated. Thank you for your help and support.
