

**2016 AAATA  
STUDENT TRAINER  
WORKSHOP  
TRINITY UNIVERSITY  
Thurs March 24th  
#trainerwars2016**

We know...we know. Thursday? Before Good Friday? YES! This was the best option for all people involved. We will make this a good thing, we always do. So now, you get a three day school week. Start your preparations for Field Trips or Workday process for you AND YOUR STUDENT TRAINERS. Having Trinity University host our event again is ideal. The whole workshop; the breakout rooms, Practice Field, gym/lunch area, the flow...the entire layout is perfect for what we need.

The Stir-Stick Newsletter should be released on Friday February 12<sup>th</sup> (please print a hard copy, it looks a lot better in color and feels better in your hand), it will have additional detailed information. Along with all updated information on our website [www.aaata.org](http://www.aaata.org). Here are a few items to ponder until then:

Pre-registration for the workshop will start on Friday February 12<sup>th</sup> and will conclude on Wednesday March 16<sup>th</sup> (during Spring Break). We need to secure numbers for lunch and t-shirts. We'll bombard you with Email blasts and Social Media.

Quiz Contest => Quiz Bowl: This year we'll be transitioning to a 16 Team Quiz Bowl. Result points will not count toward the Traveling Trophy. The 16 Team will be randomly drawn from interested schools that pre-register. Selected teams will be notified Thursday March 17<sup>th</sup> to prepare.

Business Meeting: This Fall, monetary opportunities were brought to our Executive Board. Due to Constitution limitations, they were unable to act. They decided to review and submit recommendations to update sections relating to:

Classification of Membership

Membership Dues

Voting Procedures

Cortez/Mizicko Scholarship: Any Senior Student Trainer planning on continuing their Athletic Training pursuit in College should apply for this scholarship. Application and information can be found on our website [www.aaata.org](http://www.aaata.org).

**Additional information will be presented in the upcoming Stir Stick Newsletter**
